

Did you know that...?

- The Council has seven working committees. These are: Proposals Evaluation Committee, Public Policy Committee, Outreach Committee, Collaborative Agreements and Administrative Affairs Committee, Strategic Planning and Systemic Change Committee, Federal Reports Ad-Hoc Committee, and By-laws Ad-Hoc Committee.
- The new President of the Council is Mr. Arturo Deliz and the new Vice- President is Mr. José Pimentel, both representatives of a person with a developmental disability. They were elected on an Extraordinary Meeting held on February 8, 2012.
- The Council will celebrate a Leadership Forum for young people with some type of developmental disability which are sophomores and juniors in high schools. The forum will be held from May 21 to 25, 2012. The purpose is to develop advocacy skills among these that will enable integration in society so they can have full and productive lives. These forums have been held before (1998-2004) and many young people have emerged as leaders and are functioning successfully in our society.
